

ATTENTION!!! NEXT MEETING

GRAND RAPIDS MINERAL SOCIETY

Our next meeting will be held at the G. H. Museum on Thursday December 4th at 8:00 P.M. Future meeting plans will be announced. Slides will be shown on gem localities in the state and lapidary techniques will be discussed. We will have some equipment on display. Minerals and rocks will be shown, also reading material. Bring your rocks to be identified.

W O W ! ! !

What a spectacular sensation when you and 249 other rockhounds answered our invitation to the first meeting of the Grand Rapids Mineral Society. We expected 100 - we hoped for 150 but we were bowled over when 250 poured in!! We would like to have a turnout like this at every meeting. We know you all enjoyed the illustrated talk presented by Miss Mary Jane Deckeray "A Mitten Full of Riches".

WE NEED PROGRAM IDEAS FOR FUTURE MEETINGS

PLEASE CONTACT DR. RICHARD ROSE IF YOU HAVE

ANY SUGGESTIONS OR IDEAS!!!

You might be interested to know that the Bellvue Quarry specimens which were on sale at our first meeting increased our treasury by \$8.87. We hope to have a rock sale at every meeting and to make it a success we hope every member will donate some material.

As you have probably noticed our bulletin has, as yet, no name. To choose a name we will have a contest. Submit your suggestions with your name and address and deposit in a box which will be set out for the purpose. The winner will receive a slab of golden tiger eye.
