MEMBERS MOVING

We are losing two of our active members. Gus Beuker and his good wife are moving to California. We are happy for them in this move but sure are sorry to see them leave. Good luck, Gus and Tess!

Dr. Denny Donnel has been called into the Army and leaves us to take his orientation course in Texas and then expects to be stationed at Fort Leonard Wood, Missouri. We are sorry to have the good Doctor and his wife leave us, but hope that after his tour of duty he will return to our city. We wish them the best of luck!

REMEMBER, SAFETY!

HAPPY VACATIONING!
