THE GLACIAL DRIFTER

August 9, Wednesday, monthly meeting at Townsend Park. Meet at 6:00 PM rain or shine. Bring your own supper. Meeting will start at 8:00 pm with our own club member Richard Van Beek showing slides on the Wisconsin Dells. He also has some slides on various field trips and last years silent auction. This should be very interesting. Plan on being there.

August 14, Monday, Board of Control meeting at 8:00 PM at the home of Mrs. Nellie Mead, 334 Briarwood S.E. This is a JOINT meeting of the Board of Control. This is for the old and new members. All of you should be there.

August 15, Tuesday, Rock swap with the Indian Mounds Club at 7:30 PM at the Douglas Walker Park.

August 20, Sunday, The Muskegon Club has cordually invited our club to their annual potluck picnic. Place: Fruitport Public Library & Picnic Grounds. Time: 1:00 PM. The park is at the blinker light in Fruitport. Bring one or more dishes to pass and your own table service. Coffee and cold drinks will be furnished. Dinner promptly at 2:00 PM. There will also be a Silent Auction with some choice specimens well below sale price. Also bring plenty of nice swapping material for a rock swap. This sounds like plenty of fun and a real nice time to get together with the Muskegon Club.

On Saturday July 1st. a field trip was held at Pugh Quarry Ohio. They lbasted there on Friday and so there was plenty of nice specimens found including some very beautiful calcite crystlas. Those that came found it really worth while. And as usual Nellie Mead fell and scratched up her leg. She sure is having her ups and downs on field trips lately.

Don't forget the Midwest Federation Convention July 27-30. Our World of Stones Illowa Gem and Mineral Society , Rock Island, Illinois.

Remember while on your vacation don't forget to bring back a specimen or two for our Silent Auction in November.
